APP/D1780/A/13/2200453
5 CROFTON CLOSE, HIGHFIELD, SOUTHAMPTON

Dear Sir/Madam,

Once again we are obliged to write to you in opposition to this now *third* attempt to obtain permission as an unauthorised HMO, now in it's eighth year of contention!

To avoid repetition, I enclose a copy of our last objection letter to SCC but in addition, I also include and wish to submit a Witness Statement from the previous occupier of the adjoining property Mrs Susan Hartley JP of No 6 Crofton Close, who was obliged to sell up and move as a direct result of all the difficulties and disturbance she endured during this time. In fact during the six years of this house operating as an HMO she was unable to use her garden or go outside with her grandchildren as a result of the language and behaviour of the various occupants of No 5.

We would ask that this Appeal should be **refused** with an unequivocal statement that **no use as an HMO in any form** would be allowed.

Yours sincerely,

Jerry Gillen JP MBIM
Vice Chairman
