

**HRA response to the Southampton City Vision (Local Plan) Consultation
HRA Committee Meeting: Monday 9 March 2020**

You will be aware from emails to members and also from our Facebook page, if you use it, that HRA is collecting feedback from members in order to present a truly local response to the Southampton City Vision (Local Plan) Consultation, which closes on 19 April. Details of this, the City Council online survey and other Local Plan information were included in the HRA March Update 2020, sent to members on Sunday 1 March 2020.

Please see link here:

The Council online questionnaire will be an Agenda item at the Committee Meeting on 9 March. It would be helpful if you could please come prepared to respond to the following categories within the online survey, specifically focusing on our local area. Thank you.

<http://www.southampton.gov.uk/cityvisionhaveyoursay>

- Neighbourhood and city pride, a sense of community (*part of this section focuses on selecting the five most important things in our local area, for example, reducing pollution, affordable housing, parks, access to services such as GPs, Schools, etc.*)
- Environment and climate change
- Homes for a growing and ageing population
- Ageing population
- Technology
- Getting around the city
- Growth and investment in the city (*there is a section on use of the local shopping area e.g. for food shopping, entertainment, meals out, to visit the library, etc.*)
